

# TSP1000

## Versatile Printer with Receipt / Ticket Stacker

**The TSP1000 is a specialty POS solution that offers truly outstanding value, reliability, performance and quality.**

The TSP1000 high capacity direct thermal printer offers support for up to a 7" diameter paper roll that is ideal for high volume applications. The integrated ticket/document stacker aids in sorting multiple tickets/documents where batch printing is required. With its small footprint, ease

of use and high throughput, the TSP1000 easily meets a variety of ticketing application needs. Its low maintenance and reliability make it the ticket printer of choice world-wide.

Perfect for lottery, airline ticketing, large events, ticketing, industrial kitchens, bars and libraries.
